ABOUT KERALAWAY

Thoughtfully Curated Journeys Across Kerala

At Keralaway Tours, we believe the most memorable journeys are not measured by the number of places visited, but by the stories experienced and the connections made along the way.

Rooted in Kerala and guided by local expertise, we create private travel experiences that combine authentic culture, breathtaking landscapes, meaningful encounters, and personalized service.

From the mist-covered tea plantations of Munnar and the tranquil backwaters of Alleppey to the vibrant traditions of Malabar and the heritage streets of Kochi, every journey is thoughtfully designed around the interests, pace, and preferences of each traveler.
